Date will come after
tryouts

DETAILS FOR SEASON <<<

Practice: tentative Monday, Tuesday, and Thursday starting in July
Cost will be roughly \$400. Exact dates will come after tryouts

The cost will be for uniforms, jackets, shoes, & poms or megaphones. There will be a breakdown given to those who make the team after tryouts. Backpacks will be optional but recommended for those who are new to the team. Shoes and Poms/megaphones will need to be purchased right away, uniforms we can fundraise for over the summer to eliminate out of pocket cost. Please utilize friends and family members who I know would love to support you and help cover the cost. We will fundraise throughout the season for additional costs. I don't want someone to miss the opportunity due to cost.

Competition is tentative

Head Coach - Heather Edwards
Assistant Coach - Erika Brum
